Reproductive Health Support Project

January February March

UNFPA-funded Project with HUMAN ACCESS implementation aims to reduce maternal and neonatal mortality and disease, raise awareness of reproductive health issues and family planning, and provide primary health care services by supporting health facilities and staff in the targeted districts of Taiz, Hadhramout, Hudaida, Al-Mahara, Aljawf, and Lahj governorates.

From January 2025 to March 2025

15 districts in Taiz, Hadhramout Hudaida, Al-Mahara, Aljawf, and Lahj.
