# Reproductive Health Support Project

January February March

UNFPA-funded Project with HUMAN ACCESS implementation aims to reduce maternal and neonatal mortality and disease, raise awareness of reproductive health issues and family planning, and provide primary health care services by supporting health facilities and staff in the targeted districts of Taiz, Hadhramout, Hudaïda, and Al-Mahara governorates.

From **January 2026** to **March 2026**

11 districts in Taiz, Hadhramout Hudaïda, and Al-Mahara.

**Total number of female beneficiaries of reproductive health services**

**29,222**

**11** health facilities supported to provide project services

Taiz	6 health facilities	6 districts
Hadhramout	4 health facilities	4 districts
Hudaïda	2 health facilities	2 districts
Al-Mahara	1 health facility	1 district
