Reproductive Health Support Project

January February March

UNFPA-funded Project with HUMAN ACCESS implementation aims to reduce maternal and neonatal mortality and disease, raise awareness of reproductive health issues and family planning, and provide primary health care services by supporting health facilities and staff in the targeted districts of Taiz, Hadhramout, Al-Mahara, and Lahj governorates.

From January 2022
to March 2022

7 districts in Hadhramout, Taiz,
Al-Mahara and Lahj.

Total number of female beneficiaries of
reproductive health services
26,251

7

health facilities supported to
provide project services

Hadhramout	3 health facilities	3 districts
Taiz	2 health facilities	2 districts
Al-Mahara	1 health facilities	1 districts
Lahj	1 health facility	1 district
