Reproductive Health Support Project

October November December

UNFPA-funded Project with HUMAN ACCESS implementation aims to reduce maternal and neonatal mortality and disease, raise awareness of reproductive health issues and family planning, and provide primary health care services by supporting health facilities and staff in the targeted districts of Taiz, Hadhramout, Al-Mahara, and Lahj governorates.

From October 2020 to December 2020

8 districts in Hadhramout, Taiz, Al-Mahara and Lahj.
